This day camp is a therapeutic based program that emphasizes fun recreational activities for people with special needs to promote the development of motor skills, social skills, independence and other related areas. This camp is **active** and days are filled with games, swimming, community outings, arts and crafts and more. Due to staff/participant ratio, participants must be independent with personal care or provide an aide.

**This price includes most outings. The camper will need money occasionally.*

Campers will be dropped off and picked up at the designated site each day. We will have activities on site as well as outings in the community. **(make note of this when deciding if this camp is an appropriate setting for your child)*
